Trabajo Práctico Estructuras de Fines

ESTRUCTURAS DE FINES

El presente trabajo tiene por objeto analizar la estructura de fines de una sociedad mercantil, en particular, la estructura de fines de una sociedad mercantil de tipo S.L.

En primer lugar, se define la estructura de fines de una sociedad mercantil, como el conjunto de actividades que se desarrollan dentro de la sociedad, y que están determinadas por el objeto social de la misma.

En segundo lugar, se analiza la estructura de fines de una sociedad mercantil de tipo S.L., en particular, la estructura de fines de una sociedad mercantil de tipo S.L. que se dedica al comercio exterior.

En tercer lugar, se analiza la estructura de fines de una sociedad mercantil de tipo S.L., en particular, la estructura de fines de una sociedad mercantil de tipo S.L. que se dedica al comercio exterior.
